

CANADIAN INTERNATIONAL

SHORTHORN SALE
SATURDAY, FEBRUARY 24, 1973
BRANDON, MANITOBA

Annually cattlemen from throughout North America through the Canadian International. Will you be among the discriminating crowd this year?

CANADIAN INTERNATIONAL SHORTHORN SHOW and SALE

The First Sale Ever to be Held in the
New Keystone Centre

BRANDON, MANITOBA

Saturday, February 24, 1973

59 BULLS

5 FEMALES

Consigned by 20 leading herds from four Canadian Provinces

GENERAL SALE INFORMATION

TIME AND LOCATION — Saturday, February 24, 1973, Keystone Agricultural and Recreational Centre, Exhibition Park, Brandon, Manitoba, located at the south edge of town on Highway 10. Sale starts at 12 Noon.

SHOW — 8:00 a.m. Judge, Paul Potter, Big Rock, Illinois.

TELEPHONE — (204) 728-2246.

SALE HEADQUARTERS — Prince Edward Hotel, Brandon. Make reservations direct to John McFarland, manager, indicating you are attending the Canadian International Sale.

HEALTH — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements, all buyers should be aware of their own health regulations, any special requirements, etc., as all sales are final.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

INSURANCE — Insurance will be available at the sale.

LUNCH — Will be available at the sale.

GUARANTEE — The cattle will sell under the standard guarantee endorsed by the American and Canadian Shorthorn Ass'ns. Where footnotes appear in the catalog, they were furnished by consignors or written from information supplied by the consignor.

Canadian Shorthorn Sales, Inc., sponsors of this event, or the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and the seller for each lot. Neither the sale manager, nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Shorthorn Sales, Inc., for specific tasks, promotional and clerical, and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

RECORDING IN U.S. HERD BOOK — The specific fee levied by the American Shorthorn Ass'n on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd book. All pedigrees will be verified for acceptance into the American Shorthorn Herd Book. Any that are not acceptable will be announced on sale day.

BANQUET — A Dutch-treat banquet will be held at 7 p.m. Friday evening, February 23, in the Prince Edward Hotel, Brandon. It will be preceded by a social hour at 6 p.m. sponsored by the Brandon Chamber of Commerce.

BY-BIDDING — Any consignor proved to have been "by-bidding" will be barred from all future participation in the Canadian International Bull Sale.

MINIMUM BID — Any bull not receiving the minimum bid of \$400 will be withdrawn from the sale ring.

SALE MANAGER — Harris Simons, 16 S. Locust St., Aurora, Ill., U.S.A. Telephone: (312) 896-8511.

SHOW CLASSIFICATION

SHOW: 8:00 a.m. February 24, 1973

RESERVE GRAND CHAMPION FEMALE RIBBON

GENERAL INFORMATION

Getting to the sale . . . Excellent highways and trains serve Brandon. By plane your best connection is through Winnipeg. From Winnipeg to Brandon (**daily except Saturday and Sunday**) is a Midwest Airlines flight departing Winnipeg at 8:30 a.m. and arriving Brandon at 9:25 a.m. Another flight leaves Winnipeg at 4:30 p.m. and arrives at Brandon at 5:25 p.m. There is no scheduled plane service out of Brandon on Saturday or Sunday. Those wishing to leave from Brandon on Saturday evening after the sale can drive to Winnipeg, about 2½ hours from Brandon. Rental cars are available in Brandon and groups are always available with which to share expenses.

Those who prefer trains can take Canadian National Super Constellation from Winnipeg to Brandon departing at 11:20 p.m. and arriving in Brandon at 1:50 a.m. From Brandon back to Winnipeg take Canadian National Super Constellation leaving Brandon at 6:30 a.m. and arriving in Winnipeg at 9:10 a.m. These schedules were accurate in mid-January, but they are subject to change and should be checked.

Harris Simons, the sale manager, will be in Brandon two days before the sale. If you have problems with transportation, call him at the Prince Edward Hotel. Messages may be left with the hotel manager.

You will miss too much . . . and barely make the sale, if you plan to arrive in Brandon as late as sale morning. If you have time, bus service is also available between Brandon and Winnipeg.

Want to come in your truck? In this way you can load your bull out and head right home. Arrangements are being made to have the U.S. border open Saturday evening after the sale

for several hours so you can go through. It will not open again until Monday morning. All health papers will be in order so cattle can go to the U.S. immediately.

Sending for your truck? A night watch will be available through Monday evening if necessary, so if you wish you can send for your truck after the sale. After Monday, we will help you make special arrangements for care of your cattle at the farm of some dependable nearby Shorthorn breeder. Good truckers are available in the Brandon area and it is a major shipping point.

We will work with you. Although it is never possible to predict, past experience indicates cattle will move in all directions. We will try our best to help you arrange group shipment most of the way home.

Mail bids: The following representatives will be attending. You may send bids to them or to consignors. These men may be reached at the addresses given or the evening before the sale at The Prince Edward Hotel.

Telephone at Sale: (204) 728-2246.

Harris Simons, The Shorthorn World, 16 S. Locust St., Aurora, Illinois. Tel: (312) 896-8511.

Morris Senkiw, Secretary, Manitoba Shorthorn Club, Cromer, Man.

J. R. Blacklock, Auctioneer, 1008 8th St., East Saskatoon, Sask.

Dr. R. H. Best, Health of Animals Division, Box 175, Brandon, Man.

Al Hamann, Secretary of the Iowa Shorthorn Ass'n, Rock Rapids, Iowa. Tel: (712) 472-3676.

Mike Kershaw, The Shorthorn World, 16 S. Locust St., Aurora, Illinois. Tel: (312) 896-8511.

Alfred Poole, Kemnay, Manitoba. Tel: (204) 728-1611.

The City of Brandon annually extends a most cordial welcome to everyone connected with the Canadian International.

WELCOME

With each passing year it becomes a greater honor to welcome you to the Canadian International Bull Sale. Since it was moved to Brandon in 1964, the sale has been unparalleled in the modern history of Shorthorn sales anywhere. In these nine years, 432 head have sold for an average of more than \$1,137 to prove the strength of the Shorthorn and Polled Shorthorn business.

Perhaps more important is that while great stock bulls annually sell in Brandon, the Canadian International has proved to be the source of improving Shorthorn commercial bulls at practical prices. In fact, the majority of bulls each year sell from \$500 to \$750. And, they go out to put extra profit on the calf crops of their new owners.

To thank each of the dedicated men and women who work to make the sale run smoothly, would be impossible. But special commendation must go to the officials and the citizens of the City of Brandon who have given so much in a material and friendly way.

Come be with us February 23 and 24 in Brandon. The hospitality and the cattle are the best the world has to offer.

John Esau, President
Shorthorn Sales, Inc.

BONNYVIEW LEADER BOB x—By Kinnaber Leader 9th x (Big Gene x), this is one bull that should never leave the farm. We liked him well enough that he pasture bred all of our yearling heifers in 1972. Moreover, he came off grass and went on to the Canadian Western Agribition in November 1972, where he stood well up in very tough competition against some bulls that had never bred a cow, let alone run in a pasture. We offer him only because we have an abundance of herd bulls.

CAMBRIDGE MARSHAL 33B, Lot 7, winning his class at the 1972 Chicago International.

Red, G. H. Campbell
Fairholm Duchess 4th
Red, A. R. Tolton

CAMBRIDGE MARSHAL 33B — This bull's past speaks well for him. On the summer show circuit in western Canada he was undefeated in class and was reserve champion. As he is a September bull, he was showing against bulls nine months older than himself and we are pleased to see that he was as big and, in most cases, bigger than the bulls in his class. At the Grand National in San Francisco in October, showing as a young senior yearling instead of a two-year-old, he was grand champion. A half-brother was reserve champion at the 1972 Canadian International sale, going to Harman Cattle Co., Albany, Oregon. The sire of Cambridge Marshal 33B weighs in the neighborhood of 2,400 pounds.

SALE ORDER

The cattle will sell in the following order, predetermined by the board of Shorthorn Sales, Inc., at its 1972 annual meeting.

The sale will open with the grand and reserve grand champion bulls in that order.

Then the two remaining champion bulls will be sold, the oldest first. Following that:

- All remaining first-prize bulls will be sold from the oldest to the youngest.
- All remaining second-prize bulls from the oldest to the youngest.
- All third-prize bulls from the oldest to the youngest.
- All other bulls will sell according to placing from fourth prize down until the oldest class is completely sold.

The same practice will follow with each succeeding class until all bulls are sold.

The same order will be followed with females.

ROTHBURY DYNAMIC LEADER 50th x, Lot 8

ROTHBURY DYNAMIC LEADER 50th x — Had Jim Westfall of Oregon not been successful in buying our last year's champion at \$4,000 Rothbury Dynamic Leader 50th x (that was just ten months old then) was the bull he wanted. He has developed into a tremendous individual with cleanness, size and muscling and with a bold masculine look about him that is very important in a bull. Sired by "Mr. Modern x" (Kinnaber Leader 5th x), he's out of Bosmondale Augusta C that will be 20 on her next birthday and that is probably the most consistent breeding cow ever owned. She never misses having her calf in the top five. A full-brother to this young bull won his class at the 1971 sale and sold to Jack Dees, Mena, Ark. Set your sights high. We guarantee Rothbury Dynamic Leader 50th x won't disappoint you.

Red, R. Magill**ROTHBURY DYNAMIC LEADER 792C x**—How do you describe a bull like this one? Leading cattle authorities say he is the best bull we have ever raised and consigned to the Canadian International sale. This is quite a recommendation, as he is being compared to all our champions and top-sellers over the past several sales. This February 1971 bull is sired by Mighty Mr. Modern x (Kinnaber Leader 5th x) that sired last year's grand champion bull that sold at \$4,000 to Harman Cattle Co., Corvallis, Oregon. His dam is the most valuable young female at Rothbury today. She weighed 1,430 pounds at two and a half years. This is her first calf. Her second calf, a full-sister, could be the best female by Kinnaber Leader 5th x we ever raised. Rothbury Dynamic Leader 792C x, with his tremendous individuality, illustrious ancestry, deep polled pedigree and white color, could end your search if you are satisfied only with the best. Remember, TPS Coronet Leader 21st x sold in an auction sale!

BUTTE LEE APACHE 40th — Official R.O.P. (home test, 14 bulls) weaning index 107, rate of gain index 118, yearling index 112. We showed a full-brother to this bull at the International in 1972. He stood second in his class and is now in the herd of McDonald Bros., Preston, Iowa. Another full-brother was the top-gaining Shorthorn in the 1969-70 test at the Saskatchewan Central R.O.P. test station at Saskatoon with a yearling weight of 1,111 pounds. The consistency of his dam speaks for itself. She has weaned four top or near-top indexing bulls in the last four years.

WOODY HILLS MARK 8th x — We are very high on this bull. He is an upstanding bull with a lot of length and quality with great feet and legs. He also has a lot of style. We showed this calf last summer and got a lot of comments about him. At Toronto he stood seventh in a class of 30. He was also a member of our group of four that took sixth prize. At the Regina Agribition in December he stood fifth in a strong class of 30. He was a member of our second prize group of four there. We had a few offers for this bull, but elected to keep him for the International. He is sired by Pleasant Dawn Mark x that also sired the first-prize calf at the 1971 International; junior champion female at the Toronto Royal; grand champion bull, best pair of bulls, first group of three 1972 bull calves and supreme group of 1972 calves and first-prize 1972 bull calf at the Regina Agribition. We are confident that this bull will make one of the better herd sires to be sold in the 1973 sale.

Scotsdale Umbretta Eliza
Roan, S. G. Bennett

SCOTSDALE FAVERSHAM — A son of Scotsdale Demetrius, the son of Scotsdale Tehran we decided to keep because of the influence of Calrossie White Emblem of the dam's side of the pedigree. Faversham has length and smoothness and is structurally very sound. He will sell in moderate condition. He was tested at the Government Station. He had an average daily gain of 3.3 pounds, a lifetime gain of 2.7 pounds, adjusted yearling weight of 999 pounds with an index of 116. He weighed 1,255 pounds on December 1, 1972.

ROTHBURY MASSIVE MAJOR 638C — We had originally planned to keep this big July 1971 son of "Major x" (Four Point Major x) to show as a two-year-old, but we are anxious to show the good cattlemen of America why we are so excited about "Major x." This young bull calf was raised in the hills and is out of one of our best cows. She was the dam of Rothbury Clipper Jean 2nd x, 1970 Denver reserve senior champion female. He is a big bull that will be hard to beat at next season's shows and even harder to top in the breeding pasture.

ROTHBURY MASSIVE MAJOR 790C x — February 24 will mark the start of a new Shorthorn era. We will sell the first two sons of Massive Major x (Four Point Major x), a bull that will stand proudly beside any beef bull of any breed in the world today. He stands 62 inches at the loin; weighed 2,530 pounds on March 24, 1972. This son will prove that Massive Major x is not just a great bull to look at. His dam is the most feminine big cow at Rothbury. We have refused many attractive offers for this big October 1971 calf to hold him for this great sale. Set your sights high . . . we guarantee that Rothbury Massive Major 790C x will not disappoint you.

WOODY HILLS MARK 11th x — This is one of the younger bulls from our 1971 crop. He is a correct, stretchy, good-legged bull. He goes back to one of our better breeding younger females. Sire of the dam was purchased in the 1967 International at Brandon. Mark 11th x has two of the greatest grandsires in the Shorthorn breed: Pleasant Dawn Seal 2nd x and Scotsdale Navarre. We are confident that he will develop into a great herd sire.

Here's how they've sold in the nine Brandon Internationals

| Bulls | | Females | |
|-------------------------|-----|-------------------------|---|
| Less than \$400 | 0 | Less than \$500 | 7 |
| \$400 - \$750 | 137 | \$500 - \$750 | 9 |

Brandon Helena 84M
Dk. Rn., Dir., Exp'l Farms

ERNMORE SALUTE — This is an outstanding horned bull by Kenmar Samson 8Y x and out of the dam of Captain Big x that needs no introduction, as his progeny have been very popular with horned and polled breeders seeking to acquire size. The dam of Salute is probably one of the greatest cows of the breed for passing on size. She comes from the Brandon Research Station, the same place that produced our 1972 Manitoba Sale top. Anyone wanting a horned bull with the size factor bred in will be hard pressed to equal this bull. This is also an outcross bloodline.

LOT 48—BULL

Red, S. G. Bennett
Scotsdale Lovely Clipper
Red, S. G. Bennett

SCOTSDALE GARRICK x—This young polled calf is sired by Boa Kae Royal Crown x, the Royal Winter Fair champion and top bull of the 1970 Canadian International Sale, going to John McKinnon, Milton, Ont., who allowed us to serve several top females to him, which has worked very well. This same cross of Royal Crown x on a Scotsdale female produced Scotsdale Flack, reserve junior champion and now with Glen Ahrendsen, Manning, Iowa. Garrick x is a calf with a lot of stretch and shows promise of developing into a top herd bull prospect. His performance record will be complete by sale time. On December 1, 1972, he weighed 865 pounds.

Distance in this modern era of transportation should not prevent a breeder looking for a stock bull or foundation female from attending this sale. Elsewhere in this catalog are noted plane and train schedules to Brandon. You owe it to yourself to be there.

Stone Oak Leader x (Dutch x), sire of Lot 50, is the bull that has excited the admiration of all breeds. Twice All-American, he was grand champion at 11 of the continent's leading shows in 1971-72.

Hi Way Harmony x
Red, W. H. Larson
Hi Way Carrie x
Dk. Roan, W. H. Larson

GOOD HOPE DYNASTY DUTCH — The sire of Dynasty Dutch needs no introduction. Stone Oak Leader x (Dutch x) compiled one of the greatest, if not the best, show records in the last 20 years, as well as being named twice All-American. More important, however, his progeny are following in his footsteps, proving him to be a great breeding bull. His first two sons have both been grand champions at major shows, Stone Oak Clarence x at the Atlantic Winter Fair in Halifax, N. S., and Super C Dutch x, many times a winner as a calf last winter, has recently been grand champion at the Toronto Royal Winter Fair and reserve grand champion at the 1972 International Polled Shorthorn Show in Chicago. The dam of Dynasty Dutch is nearing 14 years old and has been a regular producer. She is a big-framed cow and weighed about 1,400 pounds in her prime. Dynasty Dutch has good length, abundance of quarter and thickness and is very well-muscled. Here is a bull with size bred into him from both sides and he has a fairly strong polled pedigree. He is the first son of Dutch x to sell at auction. This calf had a lot of admirers last summer. We think you'll like him, too.

MANITOBA LASSIES TO HOST TEA

The Manitoba Shorthorn Lassies will sponsor a tea and social hour preceding the Canadian International Sale, February 24 in Brandon, Man. Information will be posted in the Prince Edward Hotel, which is sale headquarters.

Roan, G. H. Campbell**ROTHBURY MISS SECRET 926D x** — This is our best daughter of Rothbury Sir Leader x calved after May 1, 1972. She is bred to be good. Her young dam has had three calves, all by Rothbury Sir Leader x. Her first, Rothbury Super Leader 6th x, was reserve junior champion bull here in 1972 as well as a member of the winning pair of bulls. He sold to the good herd of Jack Topham, Grandview, Manitoba. Her second calf is one of the best yearlings retained at Rothbury, and her third is this great young May calf. In last year's sale we sold two young calves by Rothbury Sir Leader x that were purchased by one of America's leading herds, Hart Farm in Texas, at reasonable prices. This female will make a great showing at the shows next summer and we know what kind of cow she will make.

STANDARD GUARANTEE

Endorsed by The American Shorthorn Ass'n

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
